VERSE 1

1 5
 You never stop chasing after me
 6 4
 no I don't deserve it, but you think I'm worth it
 1 5
 And you've never once given up on me
 6 4
 So I'm gonna trust you, as promises come true

CHORUS

1 5
 Even when all seems lost, I'll praise you
 6 4
 Even when hope feels gone, still I'll sing
 1 5
 You never change your ways, so why should I be afraid
 6 4
 even when all seems lost, still I'll praise

VERSE 2

1 5
 Oh everything I thought that I needed,
 6 4
 I count it as nothing, If it's not for your glory
 1 5
 Oh my mistakes have been conquered at the cross
 6 4
 So I'm gonna trust you, as promises come true

BRIDGE

 You are holy, holy, holy, in the highest
 1 5
 You are worthy, worthy, worthy, to be praised
 4 6
 And If heaven joins, as one, in hallelujah,
 1 5
 then even in the battle, I will praise
